Briley Township is revising the Recreation Plan with the assistance of Northeast Michigan Council of Governments. The purpose of the Recreation Plan is to express the Township's vision of its' future recreational opportunities for the community and our visitors to use and enjoy. Also provide a guide and action plan to accomplish that vision. Recreation Plans that have been approved allow the Township to be eligible for DNR and other State grant funding.

A public hearing is being held to give the public the opportunity to participate in the planning process. All members of the public that are interested in the future of Briley Township's recreational offerings are encouraged to attend. The public will be asked to participate in a discussion of ideas and concerns as well as outlining a future vision for Briley Township. Discussion and vote for approval will occur in the Briley Township Board Meeting on Wednesday, December 22nd, 2021.

The plan will be made available November 12th, 2021 for 30 day review at The Public Library & Briley Township Office Monday – Thursday 9:30am to 4:30pm @ Briley Township Hall.

Any suggestions or concerns can be directed to Phil LaMore, Briley Township Clerk at PO BOX 207 Atlanta, MI 49709
